

Jak wysłać duży plik

W celu wysłania dużego pliku takiego powyżej 20 MB, a takie przeważnie mają ograniczenia skrzynki e-mailowe, można wykorzystać portal <https://wetransfer.com/>

The screenshot shows the WeTransfer website interface. The browser address bar displays <https://wetransfer.com/>. The main content area features a large image titled "Inside Wales Bonner" with a "See more" button. A white overlay form is positioned on the left side of the page, containing the following elements:

- A blue plus icon and the text "Add your files" with a sub-link "Or select a folder".
- An "Email to" field.
- A "Your email" field.
- A "Message" field.
- A grey "Transfer" button.

Green callout boxes with arrows point to these elements, providing instructions:

- "Tu klikamy aby dodać plik i wybieramy go z listy" (Here we click to add a file and select it from the list) pointing to the "Add your files" section.
- "Tu wpisujemy adres odbiorcy" (Here we enter the recipient's address) pointing to the "Email to" field.
- "Tu wpisujemy adres nadawcy" (Here we enter the sender's address) pointing to the "Your email" field.
- "I klikamy Transfer" (And we click Transfer) pointing to the "Transfer" button.

At the bottom left, the text "WALES BONNER" and the "WeTransfer Pro" logo are visible.

Następnie na naszego maila którego podaliśmy przychodzi kod który należy wpisać w okienko które pojawi się po wciśnięciu **Transfer**.

The screenshot shows an email verification screen. At the top, there is a blue lock icon and the text "Verify your email". Below this, it says "Just one quick check to make sure you're really you. We've sent a verification code to" followed by a redacted area. A note "(remember to check your Spam)." is present. A text input field contains the number "723215". Below the input field is a link "Didn't receive an email?". At the bottom, there is a blue "Verify" button.

Green callout boxes with arrows point to these elements, providing instructions:

- "Tu wpisujemy kod który przyszedł na nasz mail" (Here we enter the code that came to our email) pointing to the input field.
- "Klikamy Verify" (We click Verify) pointing to the "Verify" button.

Plik jest transferowany, a odbiorca dostaje linka do pobrania pliku.
