

Jak wysłać duży plik

W celu wysłania dużego pliku takiego powyżej 20 MB, a takie przeważnie mają ograniczenia skrzynki e-mailowe, można wykorzystać portal <https://wetransfer.com/>

The screenshot shows the WeTransfer Pro website interface. A green box highlights the URL <https://wetransfer.com/> in the browser's address bar. The main content area features a large image of a bookshelf with a collage of photos. Overlaid on this is a white form for sending files. The form has the following elements:

- A blue plus icon and the text "Add your files" with a sub-link "Or select a folder".
- An "Email to" field.
- A "Your email" field.
- A "Message" field.
- A grey "Transfer" button.

Annotations with green boxes and lines pointing to the form elements:

- "Tu klikamy aby dodać plik i wybieramy go z listy" (Here we click to add a file and choose it from the list) points to the "Add your files" section.
- "Tu wpisujemy adres odbiorcy" (Here we enter the recipient's address) points to the "Email to" field.
- "Tu wpisujemy adres nadawcy" (Here we enter the sender's address) points to the "Your email" field.
- "I klikamy Transfer" (And we click Transfer) points to the "Transfer" button.

At the bottom left, the text "WALES BONNER" and the "WeTransfer Pro" logo are visible. At the bottom right, there is a "See more" button.

Następnie na naszego maila którego podaliśmy przychodzi kod który należy wpisać w okienko które pojawi się po wciśnięciu **Transfer**.

The screenshot shows an email verification screen. It features a blue padlock icon and the text "Verify your email". Below this, it says "Just one quick check to make sure you're really you. We've sent you a verification code to [redacted] (remember to check your Spam!)." There is a text input field containing "723215". At the bottom, there is a blue "Verify" button.

Annotations with green boxes and lines pointing to the verification screen:

- "Tu wpisujemy kod który przyszedł na nasz mail" (Here we enter the code that came to our email) points to the text input field.
- "Klikamy Verify" (We click Verify) points to the "Verify" button.

Plik jest transferowany, a odbiorca dostaje linka do pobrania pliku.
